

Meeting Location and Time

For all hikes, show up 10 to 15 minutes prior to the MEET time shown on the hike list. The listed "Time" is most often the departure time allowing for the circle up, carpool organization, Hike Leader comments, introduction of new hikers and hiker headcount. Departure is immediately after the hiker count off. Unless stated otherwise, we meet at the parking lot of the Spirit of Grace Lutheran Church at the corner of Clearview Blvd & Rim Drive (15820 W Clearview Blvd). See PARKING below for important details.

Advance sign up for each hike is required. Members can sign up on the website at the bottom of the hike description. Non-members must be signed up by the Hike Director or Hike Leader in advance of the hike. All hikers must sign the club waiver before doing any club hike. Each rider pays their carpool driver a predetermined fee based on the one-way mileage to the trailhead. Carpool riders split fees required for park entry or trailhead parking. If a rider has a park entry annual pass, they may choose to use the pass for their car.

Parking

The Spirit of Grace Lutheran Church has graciously allowed us to use their parking lot to gather, organize carpools, and "leave vehicles" on our hiking days. This permission was granted with the following conditions:

- Park away from the church against the north wall of the parking lot or spaces facing Rim Drive.
- Spirit of Grace assumes no liability for damages to vehicles or theft from vehicles left at the church.
- No overnight parking.
- No parking on days the church has a large event. Unlikely, but we would be notified in advance.
- Members who will be leaving their vehicle must park in the spaces facing Rim Drive, or the north wall. Members who are driving to the trailhead should park in the center parking area.
- Any questions, comments, or concerns can be addressed to any Club Board member.
